THE FRONT RUNNER ROOF TOP TENT

Sleep anywhere with Front Runner's Roof Top Tent. One of the most low-profile and lightest tents on the market, this roof top tent has specifically designed windows to always give the best views, while multiple mounting options and smooth opening motion makes it easier than ever to set up camp.

Adventure may never sleep but you will while they enjoy the comfortable high-density foam mattress. And with all Front Runner products, this tent is built off-road tough with high-quality materials and comes adventure ready out of the box.
