## RACK CARE

WHETHER YOU LIKE TO ROLL DIRTY OR CLEAN, YOUR FRONT RUNNER GEAR WILL GIVE YOU MANY YEARS OF SERVICE. BUT, IN ORDER TO MAINTAIN FULL FUNCTIONALITY OF THE RACK SLOTS AND ANY MOVING PARTS, YOU MAY WANT TO GIVE YOUR GEAR A BATH NOW AND AGAIN.

- 1** Rinse with clean water and wipe down with a soft cloth. For stubborn spots, use a soft brush and mild soap.
- 2** If you really want to baby your gear, feel free to lightly wax the surfaces or use a protectant spray with UV inhibitors. Just be sure not to use compound waxes that contain abrasives.
- 3** In salty coastal climates or snowy regions, where salt is used to clear roadways, applying silicone-based oil or spray to nuts and bolts will help prevent corrosion.

• Did you know you can add additional Slots to turn your rack into a full or partial platform? • If you purchased a Slimline II, consider adding Expedition Rails to your rack. Available in full, half, and side versions. • And then there's 55+ other gear hauling accessories made just for your rack! Just visit your favorite Front Runner dealer in-store or online.
