

GAS BARBECUE CAMP COOKERS

CADAC THERMOGRILL

- CADAC ThermoGrill® causes an even heat distribution, quick heat up time and less gas consumption

EASY ASSEMBLY

- The Meridian grills can be assembled within a couple of minutes, because of its smart construction, a limited amount of spare parts and a clear manual

EASY TO CLEAN

- The cooking tops have a non-stick ceramic coating, making them easy to clean
- The portable barbecues & Citi Chefs have an enameled fat pan that can easily be removed and washed

NON-TOXIC CERAMIC COATINGS

- Most of the cooking surfaces are supplied with a 'CADAC GreenGrill coating'
- This ceramic coating is made from organic materials and doesn't contain any toxic substances

MODULAR SYSTEM

- Barbecues can be used with many different cooking tops, making cooking in the outdoors even more fun

CADAC | SINCE 1948

Trusted by campers and BBQ enthusiasts for generations, the CADAC name is widely regarded as the ultimate modular gas BBQ brand. Since its inception in 1948 in Johannesburg (South Africa), CADAC has been at the forefront of product quality and innovation, offering a wide range of outdoor cooking and heating products that have won international awards over the years.

There's nothing like that BBQ aroma that makes its way around the campsite at dinner time. With our Modular Cooking Surfaces, we offer unparalleled versatility. From grilling and roasting to baking and paella-pan cooking, we break the boundaries of conventional outdoor cooking. So welcome to the world of CADAC. Come and Live The Braai Life with us and explore our range.
